ACCESS WATER EXPEDITION SERIES

A seven-continent, multi-year journey that will inspire youth to demand a better tomorrow – using clean water as the vehicle for change

THE EXPEDITION | OVER 1,500 MILES (2510 KILOMETERS) IN 60 DAYS

Several key locations along our journey provide opportunities to understand and discuss local water issues and educate students online and in person.

THE TEAM

8 WOMEN FROM AROUND THE GLOBE JOIN FORCES TO EMPOWER
YOUTH TO WORK TOGETHER

With different ages, experience, religion and languages, this team is coming together to cooperate to be successful, as people need to cooperate to solve the fresh water challenges
